

Easter Quacker News

Between 9 and 12 o'clock on the morning of Saturday 3 April 2021, Daphne Duck will have laid eggs on a short trip around Stoke Ash, regardless of the weather. Being a clever duck, she has developed some special packaging to keep them dry, and also to encourage everybody to take only one bag per family! She is cleverer than the average duck and has even provided a map to show whereabouts she has laid the eggs. Daphne duck is a little vain, and would love to see any photos of your journey, which could go into the village publications. Your personal copy of the map is below.

Daphne's route will be marked with Posters. A prize will also be given for the best Easter bonnet, the best painted hard boiled egg, and the most correct answers to Daphne's quiz. Post the photo of you wearing your bonnet at any of the 'Quacker' walk posters, on the village Stoke Ash and Thwaite community facebook page. Daphne Duck's committee will decide the winners.

On the afternoon of Saturday 3 April, Daphne Duck will appear with her consorts, in Stoke Ash with an Easter egg platter for each household.

Your Parish Council wishes you a very happy Easter, and release soon from the bondage of Covid
