Wow - what a night! Thank you Stoke Ash for your wonderful response and community spirit 🥰 it was such fun to be a part of and to see the children's faces light up at the sight of Father Christmas was worth all the effort!
Thwaite - it's your turn tonight - mulled wine, sweets, chocs, and delicious homemade gingerbread & shortbread. We'll be starting from the Walnut Tree at 6.30pm then making our way down Wickham Road, Church Lane and ending on the green next to the Old School Room. You'll see Father Christmas with his elves, a human Christmas tree and the legendary snowman (who I think has eaten too many gingerbread men!) See you there!
