Jean Farrow - now Rose. & Fred Rose.

Liz & Pete Davidson very sad to see the school close  
Karen & Stephen We arrived in 1982 & both  
children came here. Liz was  
asked to teach first when Miss Hammond  
left & then again to fill the gap between  
Mrs Bushby retiring & a new infant teacher  
taking her post. It's a shame that a  
village school like this has to close.

Brian Curtis - Attended this school 1948 - 1952,  
Lovely school, happy memories. So nice to see  
some old faces.

Terence Baker - Attended school 1946 - 1952  
Good Teachers (2 only) good memories nice to  
see so many old pupils

Claire Brasley Megan attended here June 2012 until  
Megan Brasley July 2013. She loved every minute  
Natalie Brasley here - probably except the time she  
fell and broke her arm!! Her favourite  
teacher was Mrs. Fering  
Natalie was here only from September  
to December 2013, it was a very  
difficult decision for us to move  
Natalie as she had settled in so well  
and also loved every minute here. Her  
2 favourite teachers were Mrs. Rodd and  
Mrs. Bagnall. Such a shame that the  
school may close. Both loved their school  
dinner cooked by Mrs. O'Keefe and absolutely

Stoke Ash School 1914-2014

Richard Rive Headteacher 1983-1988

It is so sad to see education coming to a close at  
Stoke Ash School. I have many happy memories of the  
children and staff from the 1980's. We offered a very broad  
curriculum, involving the school in the local community and  
taking part in many visits and sports/musical events. The  
school had excellent support from parents and governors at  
that time. The school grounds provided many opportunities for outdoor  
learning and in spring the field was covered with wild flowers.

Joan Gooderham
